

ALCON:

This is to inform you that effective today, 30 July 2012, LTC Sam Driver will assume the responsibility as the Senior Reserve Components Advisor for Japan and Okinawa.

Please extend your support to LTC Driver as he assumes his new role. LTC Driver is an experienced officer with great knowledge in both Army Reserve and Army National Guard. He came from the US Army Reserve Command (USARC) as the Division Chief for Aviation Plans and Operations. LTC Driver came here with his wife, Stefanie and two boys (Dylan and Nicholas).

As for myself, I surely appreciate all the support you have given me in the past. We stayed pretty busy supporting the DIMA program as well as expanding our bilateral engagements with the GSO Reserve. I will be here till June 2013 then retire and go back to my home island. If I could be of any assistance to you all, or simply want to visit the island of Saipan, please contact me at email: [rgr327@gmail.com](mailto:rgr327@gmail.com).

Thank you very much for your outstanding support to myself and my staff. It was a honor serving along with you and wish you all the very best in your military careers.

Very Respectfully, Harry

HARRY C. BLANCO
